The Main Department of International Cooperation received a further request from the Serious Fraud Office of the Home Office of the United Kingdom of Great Britain and Northern Ireland in the criminal case against former Minister of Environmental Protection of Ukraine, Mykola Zlochsvsky, regarding committing money laundering in this country.

Currently, the Main Investigative Department of the Prosecutor General's Office of Ukraine already executed the original request of the competent authorities of the United Kingdom of Great Britain and Northern Ireland in this criminal case. Among others, this request mentioned the provision of information on M. Zlochevsky, A. Kicha and companies associated with these persons. Obtained materials were partially executed and sent to foreign party on 25 September 2014 and 20 October 2014.

Given the above, I ask to resolve the issue of the execution of the abovementioned additional request of law enforcement authorities of the United Kingdom of Great Britain and Northern Ireland by the subordinate staff of the Main Investigative Department under the requirements of Art. 558 of Criminal Procedure Code of Ukraine.

At the same time, please take into account the request of the British side to receive the requested information in the shortest possible term due to the scheduled court hearing in this case in early December this year regarding the legality of the seizure of Zlochevsky's assets in Britain.
